It is our pleasure to announce the Twelfth Iranian Summer Festival in Portland, Oregon. The festival showcases Iranian art, culture, cuisine, music, and some of the many local businesses and civic organizations through display booths, book fair, games, song and dance and other activities. We believe the Festival is the best opportunity to build bridges across our community's cultural mosaic. This event will not be successful without your help and financial support. We are asking you as a friend of the Iranian culture and arts to consider one of the sponsorship categories below.
