## **ANDISHEH CENTER**

IRANIAN FESTIVAL 2011 is brought to you by Andisheh Center, an Iranian non-profit, volunteer ran, cultural organization located in Portland, Oregon.

Founded in 1998, Andisheh Center's primary mission is to present the Iranian culture & heritage to the non-Iranian community of the Portland Metropolitan area, and to help the Iranian community of Portland and southwest Washington, to come together with all their differences in gender, religion, nationality, personal attributes, and social or political beliefs.

Although Andisheh Center's goal is to facilitate the exchange of different views & opinions, it does not have political agendas of its own and will not subscribe to any ideology or manifesto.
